

COULD YOU BENEFIT FROM THIS FREE TRAINING?

DO YOU have a child/ren with special and additional needs, whose behaviours are physically challenging?

Are they aged between 4-18 years?

This course is designed to help Parents, or other significant Family Members and Carers who have a caring role, better understand and manage their child's behaviours

NORFOLK STEPS/POSITIVE HANDLING TRAINING

This is the standard training delivered to Professionals working with children within Norfolk

Apply now for two sessions of Training from 10am-2pm including lunch to provide you with some understanding of challenging behaviors, de-escalation skills and an understanding of basic physical intervention techniques
